

Product name:
Rescue boat crane.

Model number:
Rhs.11/4,0

Product description:
Rescue boat crane Rms.11/4,0 of the hydraulic slewing type, size 005tm/straight arm, suited for embarkation in inboard position.

Ratings:
Radius range: 3,0 - 5,0 m.
Maximum turning-out load is 11,2 kN at 4,0 m.
List/trim conditions: 20° list / 10° trim.
Design temperature: Td = -20°C.
MED type approval.
ABS type approval.

Optional:
Suitable for low temperature range Td = -40°C.
Other approval societies.

Complete package marine **lifesaving** equipment!
